

Slane Activities

Littlewood Walk via Grangegeeth Road

Walk up Chapel street up the N2 passing the children's playground in to your left (worth a visit for children) continue on the road and pass by Slane school and the garage.

At Slane cemetery there is a left turn, take this turn.

Continue up this road, there is no path so take care.

After about 5 mins you will see a red gate on the right hand side (pictured below), go through this gate and follow the path.

You will enter Littlewood Forest walk. The full way around is 2km and there are information points along the way giving details of flora and fauna as well as wildlife .

A great place for children to have a run and a great place to walk dogs.

Distance: @ 6k

Terrain: Road and Forest walk so walking shoes recommended.
